Name of Event _____

Contact Person _____

Signature of Applicant/Sponsor _____

Address _____

Today's Date _____

Address _____

Phone/Fax _____

Type of Event being advertised _____

(Describe in detail. Attach separate sheet if necessary)

Give intersection location or park name and location in park. See specifications and prohibitions below.

Intersection or Park and location: _____

Starting Date _____ Ending Date _____

You, the sponsor of the event, must install your banner or sign and anchor it to the ground to prevent wind damage. You must construct the banner or sign to City specifications. If installed in a park, the installer must contact the Parks Department (269-9028) to have underground utilities located before posts are driven into the ground. Banners and signs promoting or sponsoring non-profit events must be approved by the City prior to installation. Banners and signs promoting commercial businesses are prohibited. **You must also provide below exactly what the sign will say:**
