CONDITIONS OF STREET TREE PLANTING (S)

1. Residents which have lost a street tree or desire a first time new street tree to be planted on the parking adjacent to their property may choose a tree from the availability list.
2. Minimum spacing and height requirements must be met which will dictate the number of trees allowed.
3. Orders will be processed as trees become available to the City of Cañon City on a first come first served basis and all fees must be paid in advance of planting.
4. Property owners or occupants must agree to water the plantings for up to 3 years, once a week during warm weather and once a month during cold weather.
5. The City of Cañon City reserves the right to accept or reject orders. Rules and regulations covered under Municipal Code chapter 5.52 shall be used to guide street tree planting (s).
