To Whom It May Concern:

I would like to submit my application to serve as a member of the Cañon City Planning Commission.

I believe in the future of our town and would like to help make it the best possible place for growing businesses and community. Nothing worthwhile has ever been accomplished in cities like ours without volunteers who are willing to give the time needed to do the work.

After a long career in journalism and publishing, I've retired to write and publish historical romance novels.

Attached is a summary of my vitae.

Best Regards,

To Whom It May Concern,

My name is Dustin Maas, I am a long-time resident and business owner in Canon City, Colorado and I would like to be considered for a position on the planning commission.

From 2011-2018 I worked for Fremont County Sheriff's Office and was most recently a lieutenant and training coordinator for the facility. I left in December 2018 to purchase Cold Stone Creamery as well as open an office for my financial services business.

As a business owner I am thoroughly invested in Canon City and Fremont County, and I can see so many future possibilities for growth and opportunity here and I want to be able to help facilitate that growth and be a part of the process.

I am looking forward to becoming more involved in our community, as I have been able to see in further detail the processes community leaders go through to keep our city running, and I want to be able to invest my time and efforts there as well. I feel that this position would be a great starting place for that and I look forward to the opportunity to be able to serve my community alongside you.

Thank you for your consideration for this position.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dustin Maas', with a stylized, cursive script.
