a. Formation of Committees or Subcommittees

Input for scope of work: we have a year to develop a scope of work plan, and present it to the City Council. This will include residential and commercial properties, as well as historical sights.

Some ideas: travelling van, Sons of Italy presentation, prison museum, Royal Gorge, meet with groups.

1st weekend in April is the actual time for Canon City sesquicentennial; planning for a big public event in September 2022;

Can we send out something in the water bill to recruit sub-committee members?

Creating a canned presentation to show to groups, including photo-shopping some photographs to show absent or changed buildings

Goal: to get feedback from community about what is important to them

Lisa is asking for a sub-committee to help her with survey responses and ideas to approach groups; Jim would like to coordinate the outreach; Rochelle expressed an interest at the last meeting;

2 sub-committees: community participation and historical context

4. Adjournment at 4:54pm
