

The Canon City Public Library

Community Bulletin Board Policy

LIBRARY POLICY

CCPL provides a community bulletin board on each floor of the library. These are for use by the library and the public. Posting of notices by the public does not indicate library endorsement of the ideas, issues, or events promoted by those notices.

- All notices posted on the community bulletin board must contain the name and contact information of the sponsoring agency and/or its authorized representative.
- One notice per event or issue is permitted per floor.
- Notices will be removed when they are no longer timely or when space is required for more current items.
- The library assumes no responsibility for the preservation or protection of any materials posted.
- In fairness to the numerous community groups, the library may control the frequency with which notices may be posted by the same organization.
- Posting information of illegal or criminal nature is prohibited.
